Guzeiji Soto Mission of Moloka'i in Kaunakakai

### UHSSWA Moloka'i Conference

Rev. Jiko, Ven. Rabje, and 13 Fujinkai members represented Daifukuji at the 42<sup>nd</sup> United Hawaii Soto Shu Women's Association Conference held April 28 & 29 on the island of Moloka'i. The opening service, meeting, & country store took place at the Guzeiji Soto Mission. (Mahalo to all who donated items for the country store fundraiser.)

From Guzeiji the conference moved to the Beach Village at Moloka'i Ranch where folks were assigned to tentalows (fancy tents) which had solar-powered showers that released water at the pull of a string. The Saturday night banquet and Sunday morning breakfast, service, and Dharma sessions were held in a large beach front pavilion.

Conference attendees were treated to the warm aloha of the friendly Guzeiji members & their friends from the community who had worked incredibly hard in hosting this year's conference. Everyone had a wonderful time.

The 43<sup>rd</sup> UHSSWA conference will be hosted by the Waipahu Soto Zen Temple Taiyoji on April 19-20, 2008. In 2009 it will be our turn to host the conference.

## **Bazaar Mahalo from Jiko Sensei**

Dear Members and Friends,

I am writing this on the day after our bazaar and my heart is brimming with gratitude. I know that many of you are nursing sore legs and sore backs today because you worked so hard in preparation for the bazaar and also on bazaar day. Not only did our Sangha pull together to make this annual event a successful one, but friends & relatives of members also offered their kokua & donations of goods and services. Thank you to all of you. *Gokurosama deshita.*

I'd like to extend a special mahalo to bazaar chair Alfreida Fujita, to her assistants Bernard and Avis, and to all unit chairpersons and committee members. Thank you for your wholehearted dedication to our temple and Sangha.

I realize that the tremendous work that goes into putting on such a bazaar is a strain on some of our dear members. You were brought up to value hard work and you give of yourselves more than a hundred percent, but please take care of your health now and in the future and don't work until you hurt. I can't emphasize this more. If you know that you are overworking, please cut back and let others help carry the load. It is the *kuleana* of the next generation of Sangha members to say “Please, let us help you. Please rest if you are tired. We are here.”

Once a year the bazaar brings us all together to work for a common goal: the continuance of our temple. Without you, Daifukuji would not be here. Thank you, dear members & friends, for your love, dedication, and commitment to our temple. *Namu Kie Butsu, Namu Kie Ho, Namu Kie So. Gassho, Rev. Jiko*
